# COMPANY PROFILE

**XI AN BELLAVIE AND SUNBRIGHT GROUP CO., LTD.**

BS GROUP is a leading electric heating products supplier in China, we fully owned two independent factories in Dongguan.

## FACTORY 1

*Dongguan Sunbright Electric Appliance Co., Ltd.* was founded in 2012, the plant area is 19000 sqm, focusing on production of 220V heating items to the market of Europe, Australia, South America and South Africa with CE, GS, EMC, CB, SAA, UKCA, CCC, ROHS, REACH approvals.

The factory has more than 130 professional staffs who are working at administration, purchasing, production, finance, QC, R&D, after-sales departments. And owned many unique, customized leading machines such as the blanket stamp welding machine, heating pad stamp welding machine, special punching machine, testing equipments, etc. Both factories have the production ability at 3000-4000pcs heating products per day. In the peak season, the sufficient preparation, highly efficient production, vast warehouse could assure our customers timely delivery.

With advanced production equipment, mature technology process, strict management system, and rich industry experience, we are not only confident in supplying qualified heating items to all of our customers, but also concentrating on offering continuous innovations and reliable service.

## FACTORY 2

*Dongguan Sainvie Health Technology Co., Ltd.* , plant area is 20000 sqm, focusing on production of 110V heating items to North America market with ETL, CETL, FDA standard.

The factory has more than 150 professional staffs who are working at administration, purchasing, production, finance, QC, R&D, after-sales departments, and owns 25 sets of leading machines such as the quilting machine, automatic embroider machine, ultra-sonic welding machine, cutting machine, and other testing equipments, etc. The R&D centre was created to provide technological support for the two factories, has various professional testing equipments such as: the heating wire bending test, simulated marine environment test, heating pad bending, twisting & folding test, temperature test, aging test, running test, with same testing standard as TUV SUD, Intertek and other qualified testing labs.
